MESSAGE FROM THE PASTOR

What a beautiful time of the year. Truly creation sings her song. I would like to share with you lyrics from a song I wrote some time ago. Many Psalms acknowledge the Creator God. There is no one like God and yet the Psalmist asks; who are we that God would think about us or care for us? O LORD, how majestic is your name in all the earth...Psalm 8 and 19 and others.

“Creation Sings Her Song;” Clearly skies reveal God’s glory, plainly showing what he has done. Everyday his handiwork is proclaimed, every night proclaims his truth. Speech nor word, no sound is heard, still creation knows. Clearly skies reveal God’s glory plainly showing what he has done. Morning skies display her beauty. Changing seasons showing their face. God ordains all living things. Life is within her seed. Winter death, just beauty sleep. Life is renewed in Spring. All of creation sings her song, plainly showing what he has done. Wake, awake my soul and sing, for the LORD has done great things. He created children from dust. He created children of hope. Breathing life into the soul. We are made in his image. Clearly God is revealed in creation, plainly showing what he has done.

God’s world is one of order. There is a time to plant and a time to harvest. There is a time for us to admire the beauty of the flowers and plants that we adorn our yards with. God’s world is so beautiful that he wants us to play and enjoy this gift. Each season brings its’ own special gifts that we like to do; skiing, golf, tennis, fishing or maybe a good book to read outside or on your deck. November is in the middle of Fall. It is the month in which we set aside a time to be thankful for all the blessings we receive. “Count your blessings; count them one by one...”

There is no comparison in feeling happy versus being blessed. Feeling happy is conditional. Happiness depends on things going our way; that makes us happy. Being blessed is not conditional. Being blessed comes in Christ and there is nothing we can do to make him love us more and there is nothing we can do to make him love us less. In the good or not so good times, God continues to bless us with his constant love and all his promises which will never fail us.

Creation sings her song, for every day is a gift from God and he fills it with his love and grace. Therefore we can say, this is the day that the LORD has made. Let us rejoice and be glad in it.

Blessings, Pastors Marcia and Mark ✚

Ascension's 150th Anniversary

Planning is well underway for our year-long 150th anniversary celebration in 2024!!

We will kick off the New Year with a traditional Norwegian activity of making lefse. We will be taking preorders only so an order sheet will be out sometime in November. We also have a sign-up sheet so people can help us make lefse in January.

Throughout the year we will have information in the newsletter about our history and also old articles on our bulletins boards. We also want to highlight the many benevolences we support by featuring them during the worship service on a monthly basis. We plan on having the youth and any adult members sing for shut-ins sometime in the Spring of the year so watch the announcements for that. In October during the Polka service we want to hold a reunion Sunday and invite all past and present members to attend. Since our church was officially organized on November 26, 1874 we plan to hold a special worship service on November 3rd and invite back all our past pastors. There will also be a dinner after the service with historical pictures to view. We also plan to have a memento of our 150th anniversary available for purchase. This is just an overview of the plans with more details to follow as we get closer to 2024.

1874 Ascension Anniversary Calendar of Events 2024

January 20 – Lefse making and sale. In November there will be a sign-up sheet for your order and if you wish to learn how to make lefse and help.

February – A mementos will be available for purchase.

April – Sing to the shut-in. Young and old in heart are welcome to come and sing. More info when we are closer to the date.

September—Will have a Remembrance Sunday where we will show videos of past years after the worship service.

October – Will be having a Polka service and a reunion Sunday. Will be inviting past & present members with a fellowship after service.

November – **November 26**, 1874 our church was officially organized. We will have a special worship service on November 3, 2024. We are inviting past pastors to join us. A chicken dinner will be served after the service to celebrate 150 years.

Other projects that will be happening during the year:

We have asked all the Benevolences we support through-out the year to come and tell us how our financial support benefits them.

In the visitor we be putting some in some “Way Back When” articles every month.

The bulletin boards will be changed every month with different pictures and articles from the past.

We are checking into putting articles in the local papers

Watch “The Visitor” for further updates.

SPECIAL WEEKEND

SESSION 1

Awareness and a Call to Join the Fight against Human Trafficking in Your Community

BAZZEL & TINA BAZ

We were honored to have in two warriors in the fight against human trafficking- Bazzel & Tina Baz. They shared about how we can be a part of setting women and children free. Below: We led the Friday 10am prayer focused on their deliverance. Watch the weekend on our website.

that, "now Jesus loved Martha..." God loves us deeply and tenderly. He isn't mostly an angry God waiting for us to screw up again. His thoughts and feelings towards us are of delight and enjoyment. Knowing this will help us abide in the vine and talk to Him throughout the day.

Secondly, He is ravished by every weak glance of our eyes, it overwhelms God! There are so many little opportunities throughout the day to say a 30-second prayer, ask Holy Spirit for help, or just to listen to His whispers. Even if 5 out of 100 times we turn our gaze towards him, it matters to God! The more we continue to work that muscle, the more easy and desirable it will be to spend time with Him! Be encouraged that your heart still says yes to Him even in your weakness!

Thirdly, I have recently become re-aquainted with the beautiful FELLOWSHIP and TRUST prayers! I take one letter a day, including the scriptures included, and pray it over my husband, over our marriage, over our children, over our family, and over our household. Just one letter! It doesn't take long, but it engages the heart to commune with Holy Spirit. I will pray it over other people as they come to mind. Doing this sets the stage for the Word to be reflected upon throughout the day and also more conversation with God. Having a picture in my mind as I talk to God helps me engage, so I like to picture I'm talking to Holy Spirit as a radiant river or a fire working in me greater glory!

Not Being Choked by The Busy Life

Life is very busy. I can easily feel swayed to and fro, stressed, and like I'm spinning in circles. There are tares and thorns in this world that would love to choke us out and make us unfruitful in God and our hearts troubled by the cares of this world. (Matthew 13) In the story of Martha, it wasn't being busy that Jesus was addressing, it was because she was distracted, worried, and troubled about many things.

How do we get out of the cycle of being worried and troubled in the midst of busyness? First, I love how in John 11:5 it says

Audits, Nets & Mentoring

Audit season is upon us at AIM AIR! Phil and the team recently had the Kenya Civil Aviation Authority come out to inspect the flight side of operations. They have a few things to finish up before giving us their final report, but overall we were encouraged by their positive comments. Phil is now gearing up for the inspection on the maintenance side of things; that audit is scheduled for the first week of Nov.

*Pray for favor with the KCAA.

*Pray for Phil as he juggles ongoing internal audits, preparing for the KCAA audit, as well as a myriad of other responsibilities.

Pilot Joe flew a huge load of supplies into a refugee camp in South Sudan for one of AIM AIR's partner ministries. The cargo circled in red shows almost

300 pounds of mosquito nets that the missionaries will distribute to families with young children, who are most susceptible to malaria in this region. What an honor to assist the missionar-

ies in a practical way. Photo: Cosmas and Paul, two of our Kenyan staff, make sure the cargo is secure before take-off.

Josh & Sarah joined AIM AIR in July and live just a 5 minute walk away from us. Now that they have gotten settled, we are meeting weekly to debrief experiences, discuss culture, language learning, team dynamics, and whatever else comes up. Josh begins studying for his pilot license conversion test soon. *Pray for us* in this mentoring role.

Photo: EJ took them up to the local shopping area called Kenyatta market to meet Gaz, a local artist.
