Dear Ascension Lutheran Church,

Enclosed find a check to defray the cost of the newsletter. We enjoy receiving it. We also will be celebrating our 70th anniversary on April 20th, 2016. We were married at Ascension on April 20th, 1946. We will be hoping that Marion will be on the mend soon. He is presently at Peabody Manor in Appleton

Joyce and Marion Landsverk

To everyone who brought a dish and/or helped with the set up, serving and clean up for Betty's Tischer's funeral. I always appreciate that the members at Ascension are always willing to volunteer when needed. It makes my job easier.

Bonnie Weyers

Thanks Cindy Garrigan for continuing to supply the paper toweling for our dispensers.

Thank you to Dennis and Kay Fuerst for the donation of a realm of white copy paper.

**Thank You
Stacy Homan for the seasonal tablecloths, plates and napkins including paper items for Easter Breakfast. You are keeping us well supplied.**

The cake for April Birthdays will be provided by Dorothy Nelson in honor of John's birthday. Thanks for your contribution! Oh and Happy Birthday to John on the 16th.

John & Dorothy Nelson have lived at their rural Clintonville home for thirteen years. They have three children and thirteen grandchildren. John spent his employment years in various aspects of the propane gas

industry. Dorothy held the more important job of child rearing and housekeeping. Their interests include: travel to visit family and an occasional old car auction, the Iola Car Show, the Symco Thresheree, and a lot of gardening and yard work. John likes to make mention of the fact that his Grandmother, Marie Anderson Vang Borreson, was the first organist at Ascension Lutheran. He also recalls being at a Norwegian supper in the basement of the original church building. The Nelsons credit Everett and Sue Olson with reintroducing them to Ascension. What is one of the greatest features of this church? Quality music!

Church Wish List

From time to time the church runs low on various needed supplies that are not in the budget. Currently we are in need of 5oz. plastic cups for the water cooler.

Spring Clean Up Time!!!!

The Cemetery Committee invites everyone to help with the annual Spring Clean Up Day

on
Saturday, April 30th
Starting at 9:00 am

A few words from your interim pastor,
The celebration of our Lord's victory over sin and death has come and gone...
or has it. We are a resurrection people.

Jesus' hour is more than his death. It is also his resurrection and ascension to take his rightful place at the right hand of the Father. We need to begin every-day remembering our Creator God whose love has been poured out and always will be in abundance.

As people of the resurrection, we are commissioned by Christ to go into the world to share the good news about Jesus Christ. To go into the world to share all that Jesus has done for you. We read in **Matthew 28:18-20**; *Jesus came and said to them, All authority in heaven and on earth has been given to me. 19 Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age.*

We are to die daily to our sins. We who are baptized into Christ were also baptized into his death. Just like Jesus rose from the dead by the glory of the Father; so we too will walk in newness of life. The Apostle Paul continues by saying; if we have been united with Jesus in a death like his, we will certainly be united with him in a resurrection like his (*Romans 6:4-5*).

The celebration of Easter is the true beginning of life. We do not live under the Law, which tells you to "do this" but we cannot. The Law is holy and we as sinners are unable to fulfill the Law of God. Grace says our sins are forgiven for Jesus' sake.

I hope you had more than a happy Easter. I pray that you had a blessed Easter. Halleluiah, Christ has risen; risen indeed.

Blessings, Pastor Marcia

Ascension Lutheran Church has the ability to host the following two member led workshops.

Providing an interactive and values-based approach to financial education is one way Thrivent helps Christians to be wise with money and live generously. Thrivent offers two different workshops that are geared toward promoting rich discussion through situation-based exercises.

Heart to Heart: As Your Parents Age: provides tips that will help Christians initiate healthy conversations with aging parents about their wishes for the future.

Making a Difference: Sharing Your Time, Talents & Treasures is designed to explore ways that members of your church can share their resources in a manner that aligns with their values.

If anyone is interested in attending either of their programs please call the Church office at 715-758-8312. Also I am willing to lead the workshop but will need one more volunteer to help me.

Church Chat

from the Church Lady

Happy Spring!!! A week ago I was enjoying the beautiful spring weather and had even started to rake my yard. Well this morning I woke up to three inches of snow with more promised to come. I think the only person who is happy about this is Jim Mueller. I made it into work without a problem and am now feverishly working on the April newsletter. It is Holy week so there is much to do. At this typing I am not sure if we will even have Maundy Thursday service and if we do, not sure how many people will be in attendance. I want to thank everyone who has been volunteering to assist during Lenten and Holy week services. I also want to thank all the new assisting ministers I recruited for agreeing to help out on Sundays. It's good to get some new blood into the fold.

On a different note with spring comes a new beginning and with that being said I would like to introduce some new things to the Church. First Thrivent is offering some new financial programs for our Church: Heart to Heart: As Your Parents Age and Making a Difference: Sharing Your Time, Talents & Treasures. There is more information on these workshops on the previous page. If interested please let me know.

A second new item is a planned one day bus trip. In talking with a few other church members it was decided to promote a one day bus trip through Nationwide Tours in Appleton. This trip is on Wednesday, May 18th and features a play and lunch. It is open to anyone but only ten Ascension slots have been reserved and you need to register prior to April 15th. Reservations need to be made through Nationwide but if you let the Church office know that you are going, then people may be able to carpool to the pick up point in Appleton. I know there are some church members who have gone on these trips before and had a very good time. If there is enough interest I would coordinate another trip. More information on this trip can be found later in this newsletter.

Also want to let you know that in the near future we will be changing our internet provider so our current e-mail address will change. We will get the new address out as soon as we know it. We will also keep you informed of any other changes through the church website, this newsletter and the church bulletin.

Lastly, I hope every one had a good Easter and were able to spend some time with their families. Remember all that we have is because he died for us on the cross and rose from the dead.

COUNCIL MINUTES

Ascension Lutheran Church Of Navarino Council Meeting March 13, 2016

Attendance Lisa Wollenberg, George Peters, Darrel Klemp, Al Meiers, Glen Peebles, Interim Pastor Marcia Sabin

Absent Excused : Dave Rohrer

Guests: Ralph Mueller

Meeting was called to order by President Darrel Klemp at 8:07 a.m. A brief devotion was led by Ralph Mueller. Pastor Sabin led the group in prayer.

Minutes of the February meeting were reviewed as published. Minutes were approved as read by President Darrel Klemp

Pastor's Report-Pastor Sabin noted there is still one Wednesday left in the Lenten "I AM" series. Ralph Mueller will lead that service. Pastor will revisit the previously contacted parishioners again starting after Easter time. Pastor Sabin thanked the Church Council for allowing her to attend the Pastors' Retreat at Rhinelander on April 17-18. Bonnie has sent the \$65 fee into Fort Wilderness for her to attend.

Treasurers/Finance Report- Treasurer Lisa Wollenberg met with outgoing Treasurer Dennis Fuerst last Sunday. Dennis will continue to be in consultation with Lisa for the near future and reviewing the monthly synopsis reports. Lisa read the synopsis for the Treasurer's Report. She noted that with Dennis' help there were four corrections/ insertions on various accounts made. Motion to accept Treasurers report by Glen Peebles and seconded by Al Meiers. Motion passed 5-0.

Committee Reports- President Darrel Klemp noted that at the upcoming April meeting, Council members will each be assigned a Committee . They will be a liaison for that committee and will give a brief oral report monthly to the Council.

Worship Committee- the worship services are all planned out thru Easter Sunday thanks to Toni Klemp and Church Secretary Bonnie Weyers.

Properties Committee- Darrel noted that there are possible repairs in the offing on the outside wall stones which are loose.

Education, Evangelism Stewardship, Youth Committees nothing to report.

Correspondence- None

Old Business

Call Committee- Dr. Wendell noted that there was an independent Pastor checking out the call situation here at Ascension. The Pastor sent his information to Synod and is waiting for things to clear the proper channels first. Otherwise, the Call Committee is in a waiting period until any pastoral names/inquiries come forth.

Food Pantry-Community Dinner- The next dinner is Wednesday, March 16 and will feature Spaghetti and Meatballs in conjunction with our final Lenten service. The Community Dinner has been going well according to Glen Peebles.

Ascension Lutheran Church Of Navarino
Council Meeting
March 13, 2016 (continued)

NALC/NALS Update- The electronic version of the NALC Newsletter was sent out to committee members last week for their review. President Darrel Klemp highlighted a few areas. Bonnie has sent in to Synod the annual report for our congregation. The Youth Encounter group has disbanded after many years serving as a mission outreach. Discussion centered around making quality time available for family among clergy as well as all families in deference to their work. This was in response to an article written in the NALC news. Darrel recommended that the Call Committee perhaps read the article by Dr. Wendell on the “Qualities of a Pastor” as it would be food for thought as they call/interview a pastor in the upcoming future.

Projects in Progress-Shed Al Meiers indicated that Sam Christenson is being employed, when he has time, to finish the ramp at the shed with the monies set aside to finish the project.

Sign- Ralph Mueller indicated he is working with a person who is able/willing to draw some possible designs for the landscaping around the new sign and the old cement slab, using the old church bell.

Fellowship Hall/Narthex Flooring- Currently over \$2000 in the fund has been garnered by gifts from Life's Milestones. Darrel indicated that he wanted to set up a meeting soon with the flooring committee. Also, he wanted to put up a unique display that would highlight how much is currently in the fund to date as an incentive to give toward that project.

Website-Heather Goodacre is continuing to work on this project.

Cleaning Charges/Wedding Policy-The current proposed policy, with the latest updates, will be sent out before April's meeting for your review. There will be discussion on this issue as well as a suggestion by our Church Custodian, Sue Poole.

Supply Interim Pastor Status- All is going well. Glen Peebles noted several people have asked if special request prayer time for personal inclusions could be reinstated for upcoming services.

New Devotional Feedback-Last month Daily Bread devotional booklets were used. Portals of Prayer from the LMCS will be used this month. Then all three will be evaluated to see which one we would like to order on a more permanent basis.

Internet Speed-The TDS Proposed Provider allowing for greater speed and uploading was discussed and compared to the current service we have with Granite Wave. After making comparisons, asking pertinent questions regarding the proposal, it was motioned by Al Meiers and second by George Peters to accept the TDS proposal and update. Motion passed 5-0.

New Business

Scholarship Fund-Darrel noted that there was a balance of \$574.96 in the fund. It was suggested to hold off for one more quarter before dispersing. That way an additional \$37 could be added in giving a grand total of \$ 612 for disbursements in Sept. The July Visitor should list the criteria for applicants. Students need to apply by Sept 1. Disbursements would be made in September with payments out by Oct. 1. Glen Peebles made the motion to accept and George Peters seconded. Motion passed 5-0.

Date for the next Council Meeting- was set at Sunday, April 17, 2016 at 8 .m. in the Church Library. Motion to adjourn by Lisa Wollenberg and Glen Peebles seconded. Motion passed.5-0 Meeting adjourned at 9:07 a.m.

Respectfully submitted by Ralph Mueller, Secretary Pro-tem

Ministry Update

February 2016

Ripples in the Great Commission

Anna Club - Calling the Elderly to Pray

We have begun the Anna Club with a modified version of harp and bowl prayer, combining worship and prayer, at one of the local nursing homes. The beginning means slow steps and figuring things out as we go, but each week the testimonies make our hearts soar.

As we tell residents that God has a purpose and destiny for them and they can change the nations where they are through prayer and worship, faces fill with tears and people respond with amazement that God would want to use them in this way. We never tire of getting to cast vision for the power of prayer and worship and the impact it has on the Great Commission.

Another recent testimony reminds us that we often don't see with our eyes how we impact the Great Commission and the lives of those around us. One particular woman, who seemed disengaged during most of the prayer meeting, surprised us. Towards the end of the prayer meeting, we take time to pray over each individual. As Jonathan walked up to this woman, she immediately looked at Jonathan right in the eyes. With only a whisper, she spoke, "What you are doing here is significant, more than you realize. I was engaging with the prayers the whole time. I would pray out loud if I could, but I can no longer speak any louder than a whisper."

We only see a part of what we do. Not until eternity will we see fully how we touched the lives of those around us and how God uses us in the work He gives us to do.

Jonathan helps lead seniors in prayer accompanied by an acoustic guitar

Listening to Baby Baldwin's Heartbeat

Last month, we went to our first prenatal appointment. We were disappointed and a little concerned that they could not find the heartbeat. Apparently it is normal towards the beginning of pregnancy to have trouble finding it. We overjoyed a few weeks later at our follow up to finally hear the baby! It was amazing to hear that little one gaining strength and growing. We are looking forward to soon finding out the gender at our first ultrasound! Keep Theresa in prayer. Morning sickness takes its toll on her day after day. Pray for strength for her body.

One Day Bus Tour

Are you looking for a fun activity to do? How about a one day adventure to Memories in the Making Dinner Theater in Port Washington. Nationwide Tours out of Appleton is sponsoring the following.

From Door to Door • Wednesday, May 18, 2016 • Tour 13031

This heartwarming, bittersweet comedy about three generations of women introduces us to Mary Goodman, a woman of the "greatest generation." As Mary is mourning the loss of her husband, her daughter, Deborah, is encouraging her to end her period of mourning and move on with a new independence. In a series of scenes between Mary, Deborah and Bessie (Mary's headstrong, traditional mother), Mary reflects back on her life as a daughter, wife and mother. As Mary's life progresses from childhood to matrimony to motherhood, we see how each successive generation of women lives up to the expectations of the past and makes brave new choices about the future. In the end, the three women stand as links in a beautiful chain made of faith, love and understanding. L

Cost is \$70.00 and includes lunch. 10 slots have been reserved. Please contact Nationwide at 1-800-236-5511 to reserve your seat by April 15th and tell them you are with Ascension Lutheran Church. effective communication strategies

An education program by the Alzheimer Association

Communication is more than just talking and listening-it's also about sending and receiving messages through attitude, tone of voice, facial expressions and body language. As people with Alzheimer disease and other dementias progress in their journey and the ability to use words is lost, families need new ways to connect. Join us to explore how communication takes place when someone have Alzheimer's, learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you connect and communicate at each stage of the disease.

LAYMAN'S 10 COMMANDMENTS

Someone has written these beautiful words.

Read and try to understand the deeper meaning within. They are like the Ten Commandments and should be remembered all through life. I will type two each month. Thanks to Joy Daebler for forwarding them to me.

- Friendship is like a BOOK. It takes a few seconds to burn, but it takes years to write.
- All things in life are temporary. If it's going well, enjoy it! It can't last forever. If it's going wrong, don't worry, that wouldn't last long either.

If you have something you would like to have included in the "Visitor", please have the information to the church office by the third Sunday of the prior month.
