

# Pizzas for Mackenzie!

Mackenzie Dingeldein, 15 year old daughter of Scott and Dawn Dingeldein, was diagnosed on October 8, 2014 with a soft tissue sarcoma of the abdomen and lungs and will be undergoing chemo, surgery, and radiation over the next several months.

She is a sophomore at Shawano High School and loves to hike, laugh, and be with her friends, family, and pets. During her treatments, she has been unable to attend her classes and is missing her high school, friends and school activities.

All money will be going to the Dingeldein family to help offset medical and travel expenses for doctor appointments and treatments.
