Message from the Pastor ~ Learning Opportunities

The busyness of the holidays beginning with Thanksgiving in November, Christmas in December and topping it off with New Year's Day on January 1st, we now get back into our daily routines.

When we get these extended times and our normal routine is interrupted, it's not easy to return to our normal routine. Take for example, a summer vacation. We go on an extended trip, a weekend at the cottage, or camping getaways, where we relax and enjoy the scenery and all the activities that summer brings. I remember as a child when school was out for the summer. I happen to say that I'm on vacation from church. As soon as I said those words, mother walked by and said, "no you're not."

Pack up the camper, car, or the Spyder, and head back home where reality lives. We return to our jobs and school or whatever routine means to you.

Winter has just begun and I'm talking about summer vacations? When you continue your normal routine or your next summer vacation, remember to pack Jesus with you. He is always with us and he wants to have a relationship with us. God does not go on vacation from his people.

When we remember to whom we belong to, we realize how blessed we are and that should comfort our souls. Things happen in life. Tragedies happen every day. Life is turned on its' head. God is with us before we call on his name. There are times of joy when a new baby is born. God is with us in these times also.

Being human isn't easy, but God knows that through his Son, Jesus. Take vacations but remember to take Jesus with you.

Blessings,

Pastors Marcia and Mark ☩

Fundraising & Scrip Information

Share the Love This February with Scrip

February is a month focused on love, kindness, and caring for others—and scrip is a simple way to put those values into action. When you purchase scrip gift cards for groceries, gas, dining, or everyday shopping, you receive the full value of the card while our church receives a portion back from the retailer.

Scrip is perfect for Valentine's Day gifts, winter dining out, or simply covering your regular monthly expenses—all while supporting our church's ministries and mission work.

How to Participate

Scrip cards are available after services or through the church office. Many retailers also offer reloadable or electronic options for added convenience.

Thank you for sharing the love and supporting our church this February!

There are VandeWalle's candy bars on the table by the library for sale. The candy bars are \$1.50 each. Please put your money in the envelope in the box.

If you'd like to sell a box at your place of employment or another business, please see Toni Klemp. All profits will go to the Special Projects Fund.

Looking for Thrivent Members

Any Thrivent member is eligible to apply for two \$250 Thrivent action cards per year which can be used as seed money for our fundraisers or for community service projects. We will help you with the application process and completing your final report for any project you may be involved with.

Fundraising Committee

Do you have a fundraising idea? We have a form for you to complete and give to the Fundraising Committee. You can pick up a copy on the back table in Church.

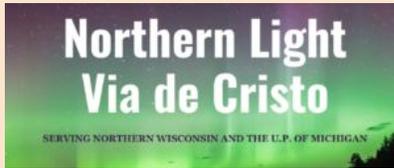

Committee members: Dawn Dingeldein, Ruthann Meiers, Lois Rohrer. Fundraising supports the Church's Special Projects Fund.

Our February Benevolence will go to Ascension's Agape Fund

My Thoughts in Words By The Church Lady

As I think about Valentine's Day I think about love. I know there are many different kinds of love but the English language doesn't differentiate.

The greek word for spousal love is "eros." This love is chosen and includes physical desire and emotional bonding. It often starts intense and becomes deeper, steadier, and more intentional over time.

Parental love - "storge" - is one-directional at first (you give more than you receive). It's protective and nurturing. It's the kind of love that will lose sleep, skip meals, and walk through fear without hesitation. This type of love also applies to siblings, cousins, and long-term community members.

You may not always *like* them, but there's a deep "we belong to each other" undercurrent.

"Philia" is Friendship Love. This love is built on mutual respect and shared values. It grows slowly and steadily and it thrives on presence, not possession.

A love that is often overlooked is Self-Love. There isn't a greek word for this but it's important nonetheless. This love isn't selfishness—it's recognizing your own dignity. Healthy self-love says: "I matter too, and I will treat myself with care."

And lastly but most importantly, there's "Agape" love. This love is Selfless / Divine Love. It feels like grace, forgiveness, patience, compassion. It's unique because it expects nothing in return. It's love as an *act of will*, not a feeling. In Christian language, this is how God loves. It's what allows people to forgive deeply or love others through hardship.

This Valentine's Day I challenge you to think about "Agape" love - a call to love as Christ loves - patient, kind and enduring. "Love bears all things, believes all things, hopes all things, endures all things." (1 Corinthians 13:7) That's agape... and it belongs on Valentine's Day just as much as chocolate roses do.

Love (Philia) to you all! Denise
